

Via a web browser

06 November 2017 11:23

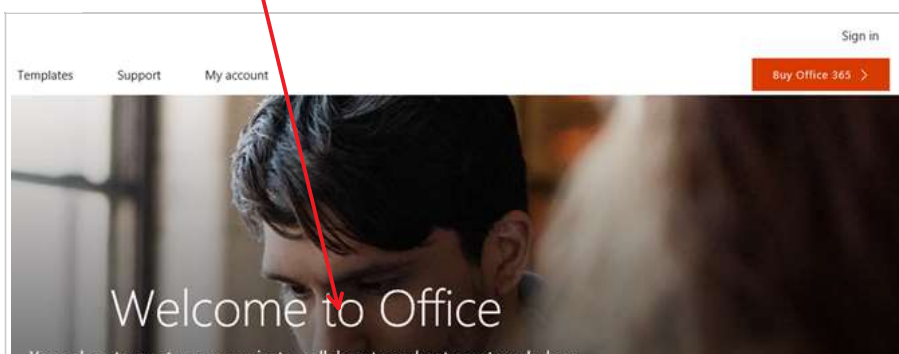

On any web browser search for "**Office 365 login**"

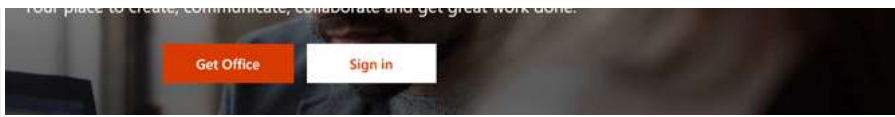

Click on "**Office 365 Login | Microsoft Office**"

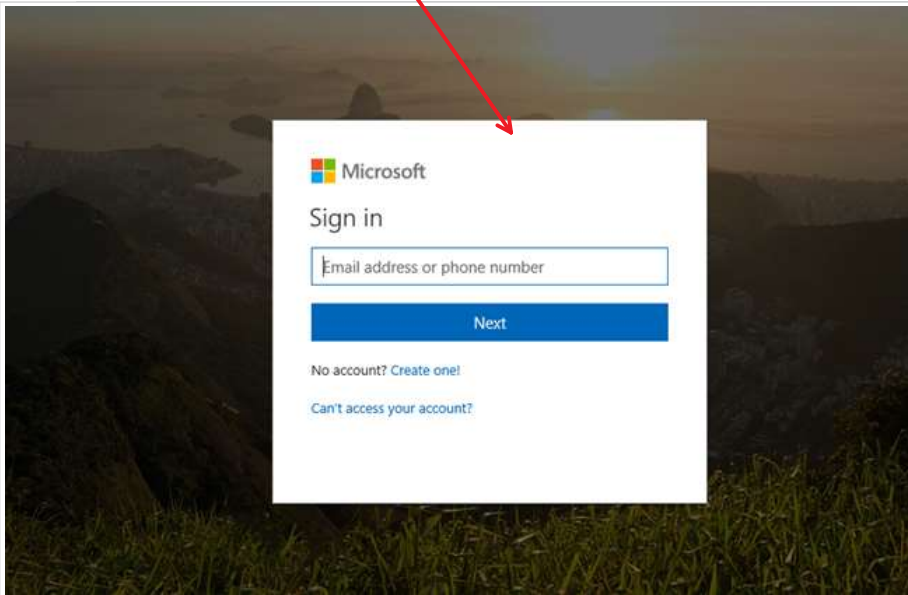

Click on "**Sign in**"

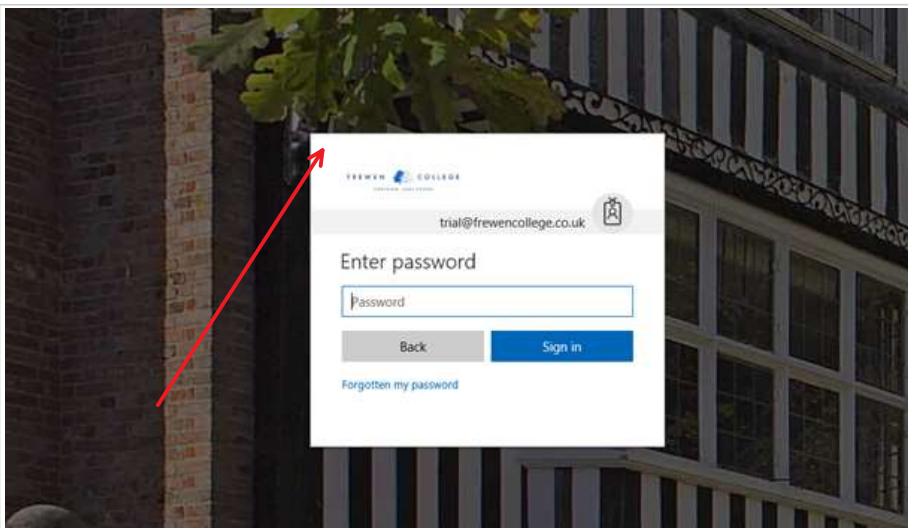

Type in your **username**:

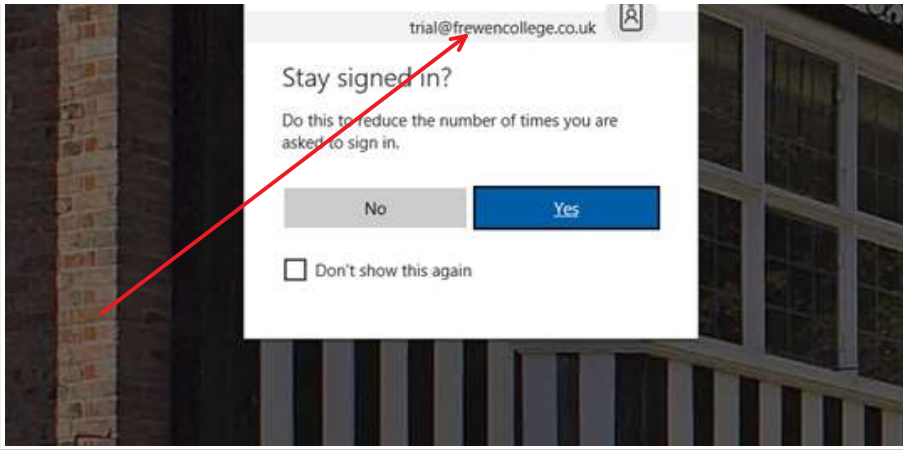

You will then see that the background changes to a picture of the school:

Type in your password.

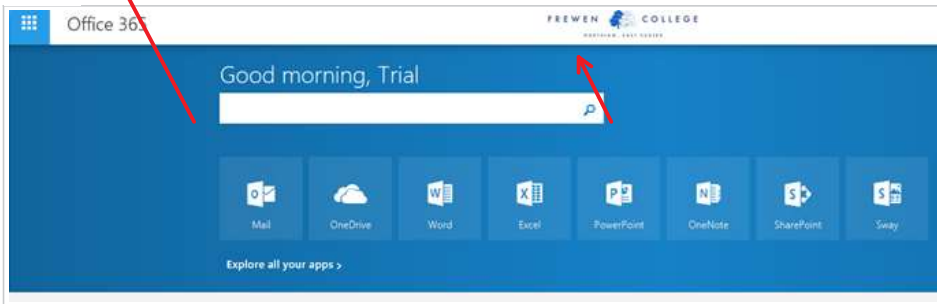

You will then see the following:

Click "Yes" But remember that once you have finished working you must sign out.

Once you have signed in you will see the following:

App launcher	Links
---------------------	--------------

More information about the app launcher can be found here: [App Launcher - Office 365](#)
