

For All - Parents, Carers, Staff, Students and Friends,

We are pleased to partner with

to help us raise funds for our school community.

How can YOU help the PTFA?

- Have you cleared a draw to find random coins – foreign or otherwise?
- Have you a wallet or purse that could do with a clear out?
- Have you been or planning on a foreign holiday?
- Do you know someone who can tick one or more of the above?

Well please read on...

Is this a scheme YOU can trust?

We have partnered with Cash4Coins as a professional and established currency exchange service to help us. They work with schools, businesses and local authorities too.

Which foreign coins can YOU send?

We accept any currency from any corner of the globe, including notes! We even change old UK, Irish and pre-euro European coins from countries like France, Greece, Italy, Portugal and Cyprus.

If in doubt – send it in, as coins with no exchange value can have scrap value.

<p>All foreign coins and notes All pre-Euro coins All pre-Euro banknotes Old British coins Old Irish coins All pre-decimal coins Commemorative coins Damaged and garbled coins Bulk mixed foreign coins</p>	
---	--

When and how will YOU send the money?

We will run collections during our first week(s) back in the Autumn Term.

Please see our school website for more ways to help raise funds for the PTFA as well as what we are raising funds for and how well we are reaching our targets -

THANK YOU.
